“The Church: Progressing in Triumph”

1. God’s work and our privilege:
 - To participate in His triumph in Christ and His Church

2. God’s work and our purpose:
 - To permeate the culture with the fragrance of a holy life

3. God’s work and our pursuit:
 - To progress in a life-transforming & life-directing knowledge of God

Summary Concept:

A life-transforming & life-directing knowledge of God is foundational to the release of the sweet aroma of a maturing Christ-likeness in one’s life and the triumph of Christ & His Church in a corrupt & dying culture.
